From The President's Desk

Dear Members,

Greetings from the Managing Committee. We passed through more than half of the summer and hope none of you are affected by the heat.

This is the last message from this Managing Committee and hope we have delivered to your expectations. In the month of May & June there are no festivals or occasions to celebrate so we are not able to meet you in persons and take feed back from you personally so as to deliver better service.

The events of the month started with Beer n Biryani on the 5th of May which was attended by 60 members only and I blame it on the heat and sultry weather.

On the 12th May we had the 4th Senior Citizen Meet of our term which was attended by more than 120 senior club members. Two senior members were honoured with mementos recognizing there seniority for maintenance of the decency & decorum of the club from a long period.

On the 18th of May we had the Super Gold Tambola which was attended by more than 300 members.

On the 19th of may we had Froth Blowers Euphoria which was an event supposed to have been conducted 120 years back in our club. We could not implement all the rules of the event conducted 120 yrs back because time has changed and the culture & dressing has also changed this event was sponsored by King Fisher and discovered by Mrs.Hema who is our editor for this magazine and also the author of Coffee Table Book which will be inaugurated before the 20th of June. This event was attended by 100+ members who happily participated and served snacks and drinks to all the members with a lot of enthusiasm. The live music added to the spirits.

Again on the 26th of May Beer Drinking Competition was conducted on age group basis. Two groups have been formed of ages below 50 and above 50. The competition is held for the fastest drinker of the pitcher and the second one being for the maximum consumption in 5 minutes. First, second & third prizes were given to winners in below 50 for both the competition and for above 50 also in both categories. A total of 80 members participated and enjoyed the competition, as well as the music.

I on behalf of the out going Managing Committee wish and pray God for a healthy, wealthy, prosperous, happy and successful life ahead for our members.

We thank you for the co-operation extend to us.

Thank you all,

We remain

From the Vice President's Desk

Dear members, with great sense of gratitude I would like to thank you all for giving me an opportunity to serve you all in the capacity of Vice President for two consecutive years. It is indeed a great privilege to serve this prestigious club being a part of the Managing Committee. As far I think, I have fulfilled my responsibilities to the best of my capability. We all worked with good team spirit in offering best of the services and entertainment through out the year. We could bring about developments in the club to our satisfaction. However there is always a scope for further development. I wholeheartedly wish the incoming team to continue the good work and bring more glory to the club. I once again thank you all for giving me this wonderful opportunity.

With regards
V.Seetharamaiah

From the Honorary Secretary's Desk

Greetings and good wishes to all the members and their families. It has been immense pleasure serving the Club as Secretary. I thank all the Members for giving me this opportunity. My primary objective was to see that all the members enjoy the club as home away home which I think we did achieve to an extent and we also prioritised to get back the glory of Waltair Club. I had a lovely Managing Committee which focussed on facilitating the members ultimately to see that members enjoy the Club. We always believed in responding to any kind of feedback/complaint given by the members from time to time. Our concept was to be member-friendly, that was reason we organised the events with free entry or minimum cost. We thank the earlier committees for the good work they have done by developing required infrastructure. We prioritised on leveraging on the available infrastructure utilizing it to the maximum extent. I have initiated setting up an exclusive lounge Bar in Chambers which offers drinks, books and music to create a good atmosphere for the chamber guests and the members. Club Clinic was also provided to take care of members and the employees for any kind of first Aid. I thank all the doctors who have come forwarded to support the good cause. I remain with full satisfaction serving the club which had given me a good experience working as Secretary for our prestigious Waltair Club. I once again thank all the staff members, Club Members and my Managing Committee for the Good Cooperation given to me to coordinate the club as smoothly as possible.

With regards
Dr.S.P.Ravindra

Honorary Treasurer's Message

Serving the club as a treasurer gave me an opportunity to make things better for the place I love so much and there are a few things which have been done this year to improve the club's overall functioning which I'm proud of.

Converting the accounting software to tally for day to day accounts, Streamlining the interest revenues periodically to facilitate regular expenditure, introducing the asset management system, computerising all the payments by generating a voucher through the system (no more hand written vouchers) and playing a role in whichever services were asked to be done by the President and secretary, are some of the things apart from my regular duties, that have given me satisfaction of doing my job to the best of my abilities and the given circumstances.

I sincerely thank all my team, the members and friends who made this possible and it's always a pleasure to serve the club one way or the other as it's very dear to my heart.

Wishing wonderful things to waltair club.

Sincerely
Ravikanth Veerepalli
